## dance warm

garnette dance warm in my head  
like a sweater. he says one love is  
uncountable and I feel him. one love

is counter to itself and more than  
that. more than that, it's perfectly

itself in every version. we've been  
ourselves so differently that all this  
dancing stay ready for us to smile,

having smiled, you got me smiling,

(you caught me) smilin'            again  
which no one thought could be our

warm arrangement is embarrassed  
with all this beautiful war inside like

babies making grammarless babies.
